EVEN THOUGH THE FOLOWING CHAPTER MAY SEEM OUT OF PLACE, I AM ACTUALLY FOLLOWING THE CHAPTER ORDER LISTED ON THE MANHUA SITE.

THE AUTHOR SOMETIMES DOES THESE "WHAT IF" / "TIME SKIP" TYPE OF CHAPTERS, SO DON'T BE TOO SURPRISED.

# Pengpeng's Letters to Xiao Yan

Xiao Yan,
were the bookmarks in the letter made by you?
Just kind of leathers were they made of?
[CAT-ME] Seems new kind of flowers
[CAT-ME] and texture [CAT-ME]
I'm sending you some company.

Xiao Yan,
I'm providing relief aid to the disaster victims in Chang'an. It'll be a while before I can return to Qingyan.
[CAT-ME] I had been. I'm also worried about the north. [CAT-ME] The herbs that I'm sending you should be of help.

Xiao Yan,
a few days ago, Master mentioned in his letter that he and Brother Ying had passed by Yanmen Pass and were headed for the the Northern.
Did he pass you the things I asked him to? [CAT-ME]

Xiao Yan,
I wonder if it'll still be snowing by the time this letter reaches Yanmen Pass.
[CAT-ME] Remember to wash your hands before applying the anti-frostbite ointment
I said. After applying, rub your hands together 300 times till they're warm. Do it three times a day (no slacking off)!

Xiao Yan,
With a single goodbye, we part for years on end. Longing grows without reprieve. [CAT-ME] The sisters from the Valley told me to write these. I'll finish silly putting these words to ink. As I write, countless apricot flowers are blooming outside. They're standing more beautiful than you can imagine. I can't wait till the day you can fulfill our promise. Let's watch this scene together soon.
Pengpeng.
